ONE MISSION UNIVERSITY OFFERS - True Woman 101

What does it mean to be a "true woman"? Arguing against a cultural paradigm encouraging females to be strident, sexual, self-centered, independent, and in control, Mary Kassian and Nancy Leigh DeMoss offer a divine, biblical vision. Dig into the heart of true manhood and womanhood, and discover the beauty of being exactly who God created you to be. This is a book study that includes five daily individual lessons per week. Each week will include a group time of sharing and digging deeper into God's Word.

9 week Study with the first session being a time of just meet & greet and discussing the format of the study, etc.
