

Welcome

Welcome to First Baptist Canton. If this is your first time with us please fill out a connection card and bring it to the information desk for a special gift. Connection cards can be found in the pockets of the seat in front of you. We are glad you're here. We hope the music, the relationships, and message will magnify Jesus Christ and remind you of the hope we have in Him. If you would like to speak to someone about knowing Christ as your personal Savior, please find a volunteer or staff member and let them know.

Connection Cards

Anyone can submit a prayer request or ask for more information regarding membership or ministries through the connection cards.

Important News

A few weeks ago, I wrote about how I couldn't believe how Vacation Bible School was almost here. Now I can't believe it is over. The last of the decorations were taken down hours after the closing rally on Friday, the kitchen was clean by mid-afternoon, most of the leaders and volunteers are just now recovering and we still haven't found Pastor Keith. Thank you to those who held a drill, prepared a meal, cleaned carpet, taught kids, played games, or served a Sno Ball! We had an average of 585 kids and workers for the week, 8 decisions to follow Christ, and others who wanted to know more. The physical activities are over, but the spiritual impact will last forever. And for that I am thankful. Thank for giving, thank you for serving. May Jesus get the glory.
